WELCOME

Our team welcome you and your children to the Goldfields Oasis creche. We're passionate about what we do and can't wait for your child to get involved in all our fun activities.

WHAT IS A CRECHE?

A creche is different to formal childcare centre as it is classified as a short term, childminding service. A creche does not need formal registration; however the Goldfields Oasis creche aims to achieve similar standards as a registered childcare centre.

UNSETTLED CHILDREN

Every attempt will be made to settle your child, however a refund or make up session will not apply, should a parent or caregiver be required to return to the creche before the care session has ended. This applies whether the child is 10 minutes or 1 hour into the session.

The Goldfields Oasis creche cannot offer one on one care.

- Please note that creche staff are not able to accept a child unless they have a copy of the completed enrolment form

PARENT RESPONSIBILITIES

- Parents must remain within the facility at all times and able to attend to their child's needs if required.
- If a child is upset, needs feeding, needs to go to the toilet or have their nappy changed and creche staff are unable to attend to those needs in a timely manner, the parent will be asked to return to creche.
- Parents must immediately return to creche to attend to their child if requested to do so by staff.
- Parents are required to directly supervise their children before and after creche attendance times.
- Child must be signed in and out of creche each visit.

COST PER CHILD

Creche bookings are \$5.50 per 1.5 hour care session

ALLERGIES & ASTHMA

Please inform creche staff at each visit if your child has any known allergies or asthma. An up to date medical care plan must be provided prior to their first booking so our staff are able to assist your child in the event of an emergency.

Details regarding the severity of the allergy, symptoms and emergency procedures will be discussed.

MEDICATIONS

- If your child requires an EpiPen it is the parents responsibility to bring this to every visit. Failure to do so may prevent your child from attending creche.
- Staff are not authorized to administer medication of any sort. This includes sunscreen and nappy rash cream.
- Medications will only be given to children in an emergency situation. This includes the administration of an EpiPen or Ventolin, however parents must sign an authorization form on enrolment and provide an action plan.
- Parents will be collected immediately should medication be required.

- Products such as peanut butter, nutella and nut food bars are not permitted in the creche
- Products such as quiche, boiled eggs and frittatas are not permitted in the creche
- Children will not be given any products containing nuts during their visit

HEALTH

If your child is unwell, parents/guardians are asked not to bring their child to the centre.

Sick children need the comfort of one-to-one care, which is difficult to provide in a creche setting.

Please keep your child home if any of the following applies:

- A temperature above 38.5 degrees
- Any vomiting or diarrhoea
- Nose, eye or ear discharge
- Conjunctivitis
- Body rash, skin lesions or cold sores
- Sore throat with fever and swollen glands
- Head lice or nits
- Cough with obvious discomfort
- Yellow skin or eyes
- Received immunisations in the last 24 hours

A child cannot be accepted into our care with signs of communicable disease or any condition that may prejudice the health of others. Children will be excluded from the creche if they are ill. If symptoms become apparent at the creche, the parent or guardian will be contacted to collect the child.

A medical certificate may be required before a child can return to the creche after an infectious illness. The decision to exclude or re-admit a child who has been ill will be the responsibility of the creche staff.

IMMUNISATIONS

It is recommended that all immunisations are kept up to date

- Please allow 24 hours to pass after an immunisation before bringing your child into care
- Care without immunisations is at the discretion of the parent.

ARRIVAL & DEPARTURE PROCEDURE

ACCESSIBILITY TO THE CRECHE

FOR THE SAFETY AND WELL-BEING OF ALL CHILDREN PLEASE BE MINDFUL OF THE FOLLOWING:

- Nominated parent or care giver (along with the children) may access the creche only. Additional family members and friends are asked to kindly wait outside creche
- Please do not intentionally obstruct the doorway or gate.

SAFETY

In case of an emergency, such as fire alarm, parents are required to follow staff directions. Children in the care of the creche staff will be taken to the muster point under the supervision of staff.

EQUAL OPPORTUNITY

Any children who have a disability will not be discriminated against and will be afforded access where the centre's resources are able to adequately care for the child.

NAPPIES AND TOILET TRAINING

- Staff are happy to change nappies and assist with toilet training as best we can
- Please kindly assist us by providing spare nappies, wipes and a spare change of clothes in case of an accident.
- It is preferred that training pants or pull ups are worn for children that are toilet training.
- We are happy to discuss this more with you to assist as much as we can

BEHAVIOUR POLICY

The Goldfields Oasis Creche will provide a secure, nurturing and stimulating environment which encourages children to co operate, enhance their self-esteem and encourage their ability to interact with others. When a child continues to behave in an unacceptable manner,

they will be redirected to another activity. If the child does not respond to redirection of behaviour, creche staff will gently take the child to the side of the group to settle the child and use the time to reflect, depending on the age. If the child continues to behave inappropriately then the parent/guardian will be asked to return to the creche.

Parents/guardians will be consulted and asked to work with staff to ensure discipling techniques are consistent and clear.
